

**To: Huntersville Regional Chamber Members / Friends:**

Good afternoon,

As you may know, an auction and memorial fund is being set up in memory of Jill Swain (the Chamber's former and beloved Executive Director) and will launch in July 2022. We will form a Committee to determine how the proceeds will be distributed; some ideas include a Memorial Bench in Latta Springs Plantation, a Scholarship, a plaque at Veteran's Park, etc.

We are currently accepting donation items for the virtual silent auction. Donation items can be tangible items or services, such as furniture, gift cards, experiences, or virtual offerings.

If you or anyone you know are interested in donating an item to the auction, please fill out a form <https://jillswain.betterworld.org/donate-an-item> than **June 30**. With this form, you are able to add your donation's title, description (details, dimensions, etc.), value, and images. Please note: If your item requires a pickup by a Committee Member prior to the auction, please include those details in the "Long Description" section for our Auction Committee's reference.

Please consider a donation and share this email with any local businesses or friends of Jill Swain. If you have any questions regarding the auction, please reach out directly to Cliff Kinchen at 704-237-0015 or [cliff@kinchenmatialarts.com](mailto:cliff@kinchenmatialarts.com)

Thank you for your continued support.

Huntersville Regional Chamber Board of Directors
